Insurance Consultant Services
ADDENDUM NUMBER 1

This addendum changes the RFP to remove references to required registration in order to attend the mandatory pre-bid meeting on April 15, 2019 at 1:00 pm. The RFP document and information on BRIM's website previously directed all potential bidders to register for the pre-bid meeting and provide certain information in order to attend the meeting. This addendum revises the RFP and corrects information on BRIM's website to clarify that registration is NOT required in order to attend the pre-bid meeting. Attendance at the pre-bid meeting is required in order to submit a bid in response to the RFP, but it is not necessary to register for that meeting in order to attend it.
