It is agreed that:

I. EXCLUSIONS

This policy does not cover:

A. Loss or damage caused directly or indirectly by mold or other fungi, wet or dry rot, or bacteria;

B. The costs associated with the enforcement of any ordinance or law which requires the Insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to or assess the effects of mold or other fungi, wet or dry rot, or bacteria; or

C. Any costs, expenses, fines or penalties incurred or sustained by or imposed on the Insured at the order of any government agency, court or other authority arising from any cause whatsoever.

This mold or other fungi, wet or dry rot, or bacteria exclusion applies whether or not the loss event results in widespread damage or affects a substantial area.

This policy is extended to cover, subject to a maximum total limit of $10,000 per **"occurrence"**, loss or damage directly caused by or resulting from mold or other fungi, wet or dry rot, or bacteria if such mold or other fungi, wet or dry rot, or bacteria is directly caused by or results from one or more of the following causes that occurs during the policy period:

As applied to this limited coverage for loss or damage by mold, fungi, wet or dry rot, and bacteria, "loss or damage" means:

A. Direct physical loss or damages to Covered Property by mold, fungus, wet or dry rot or bacteria, including the cost of removal of the mold, fungus, wet or dry rot or bacteria;

B. The cost to tear out and replace any part of the building or other property as needed to gain access to the mold, fungus, wet or dry rot or bacteria; and

When this agreement and any other insuring agreement or endorsement written by the Company applies to the same mold or other fungi, wet or dry rot, or bacteria loss, $10,000 is the most the Company will pay on a combined total basis for all such loss. POLICYHOLDER DISCLOSURE STATEMENT UNDER THE TERRORISM RISK INSURANCE ACT

The insured is hereby notified that under the federal Terrorism Risk Insurance Act, as amended, (the "Act"), the insured has a right to purchase insurance coverage for losses arising out of an Act of Terrorism, as defined in Section 102(1) of the Act: The term "act of terrorism" means any act that is certified by the Secretary of the Treasury, in consultation with the Secretary of Homeland Security and the Attorney General of the United States to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside of the United States in case of certain air carriers or vessels or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

The insured should read the Act for a complete description of its coverage. The decision to certify or not to certify an event as an Act of Terrorism covered by this law is final and not subject to review.

The insured should know that where coverage is provided by this policy for losses caused by a Certified Act of Terrorism may be partially reimbursed by the United States Government under a formula established by federal law. However, the insured's policy may contain other exclusions that might affect coverage, such as an exclusion for nuclear events. Under the formula, the United States Government will generally reimburse 85% through 2015; 84% beginning on January 1, 2016; 83% beginning on January 1, 2017; 82% beginning on January 1, 2018; 81% beginning on January 1, 2019; and 80% beginning on January 1, 2020, of covered terrorism losses exceeding the statutorily established deductible that must be met by the Company, and which deductible is based on a percentage of the Company's direct earned premiums for the year preceding the Certified Act of Terrorism.

Be advised that the Terrorism Risk Insurance Act, as amended, contains a $100 billion cap on all losses resulting from Certified Acts of Terrorism. If aggregate insured losses attributable to Certified Acts of Terrorism exceed $100 billion in a calendar year the United States Government shall not make any payment for any portion of the amount of such loss that exceeds $100 billion. If aggregate insured losses attributable to Certified Acts of Terrorism exceed $100 billion in a calendar year and the Company has met its deductible under the Act, the Company shall not be liable for payment of any portion of the losses that exceeds $100 billion, and in such case, insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

Coverage for "insured losses" as defined in the Act is subject to the coverage terms, conditions, amounts and limits in this policy applicable to losses arising from events other than Certified Acts of Terrorism.

The insured should know that under federal law, the insured is not required to purchase coverage for losses caused by Certified Acts of Terrorism. Unless the insured signs this form and returns it to the Company to indicate the insured's rejection of Terrorism Coverage under the Federal Act, the insured will be covered for Terrorism as defined in the Act and the premium for that coverage is $0.

The insured hereby rejects coverage in accordance with the Act.
