3. No action shall lie against the company unless, as a condition precedent thereto, there shall have full compliance with all the terms of this Policy nor until sixty (60) days after the sworn statements in proof of loss have been filed with the company, nor at all unless commenced within two (2) years from the date when the insured first has knowledge of the loss;

If the insured and the company fail to agree as to the scope and the monetary amount of loss, each shall, on the written demand of either, made within sixty (60) days after receipt of proof of loss by the Company, select a competent and disinterested appraiser. The appraisers shall first select a competent and disinterested umpire, and failing for fifteen (15) days to agree upon such umpire, then, on the request of the insured or the company, such umpire shall be selected by a judge of a court of
record in the state in which such appraisal is pending. The appraisers
shall then set the amount of loss stating separately the pending. The
appraisers shall then set the amount of loss stating separately the actual
cash value at the time of loss and the amount of loss and failing to agree
shall submit their differences to the umpire. An award in writing of any
two shall determine the amount of loss. The insured and the company
shall each pay his or its chosen appraiser and shall bear equally the
other expenses of the appraisal and umpire. The company shall not be
held to have waived any of its rights by any act relating to appraisal;

12. If the insured shall sustain any loss covered by this Policy which exceeds
the applicable amount of insurance hereunder, the insured shall be
entitled to all recoveries (except from surety ship insurance, excess
insurance, reinsurance, security or indemnity taken by or for the benefit
of the Company) by whomsoever made, on account of such loss under
this Policy until fully reimbursed, less the actual cost of effecting the
same; and any remainder shall be applied to the reimbursement of the
Company.

13. Each insured must cooperate with the West Virginia Board of Risk and
Insurance Management and the Company in the investigation and
settlement of a claim.

N. Impairment of Recovery

Except as noted below, the company shall not be bound to pay any loss if the insured shall
have impaired any right of recovery for loss to the property insured. It is agreed that as
respects property while on the premises of the insured, permission is given the insured to
release others in writing from liability for loss prior to loss, and such release shall not affect
the right of the insured to recover hereunder.

O. Contributing Insurance

Contributing insurance is insurance written upon the same plan, terms, conditions, and
provisions as those contained in the Policy. This insurance shall contribute in
accordance with the conditions of this Policy only with other contributing insurance as
defined.

P. Excess Insurance

Excess insurance is insurance over the limit of liability set forth in this Policy. The
existence of such excess insurance shall not prejudice the coverage provided under this
Policy nor will it reduce any liability hereunder.

Q. Underlying Insurance

1. Underlying insurance is insurance on all or any part of the deductible and against
all or any of the perils covered by this Policy including declarations of value to the
carrier. The existence of such underlying insurance shall not prejudice or affect
any recovery otherwise payable under this Policy.

2. If the limits of such underlying insurance exceed the deductible amount which
would apply in the event of loss under this Policy, then that portion which
exceeds such a deductible amount shall be considered “other insurance”.
R. Other Insurance

Except for insurance described by the contributing insurance clause, by the excess insurance clause, or by the underlying insurance clause, this Policy shall not cover to the extent of any other insurance, whether prior or subsequent hereto in date, and whether directly or indirectly covering the same property against the same perils. This Company shall be liable for loss or damage only to the extent of that amount in excess of the amount recoverable from such other insurance. Notwithstanding that this policy only covers for the excess of any other collectible insurance, this company guarantees prompt payment in full of the amount of loss which would have been otherwise recoverable hereunder and agrees to advance the amount of loss as a loan, without interest, repayable only in the event of and to the extent of recovery from such other insurance.

S. Miscellaneous Conditions

1. In the event of loss, permission is granted for the insured to make reasonable repairs, temporary or permanent, provided such repairs are confined solely to the protection of the property from further damage, and provided further that the insured shall keep an accurate record of such repair expenditures. The cost of such repairs directly attributable to damage by any peril insured hereunder shall be included in determining the amount of loss. Nothing herein contained is intended to modify the Policy requirements applicable in case loss occurs, and the insured shall protect the property from further damage.

ELECTRONIC DATA AMENDMENT ENDORSEMENT

A. This endorsement replaces and supersedes any and all contrary policy provisions. This policy does not insure against loss, damage, destruction, erasure, corruption, alteration, diminished in value, or loss of use or usefulness of:

regardless of any other cause or event that contributes concurrently or in any sequence to the loss, damage, destruction, distortion, erasure, corruption, alteration, diminished in value, or loss of use or usefulness of "Electronic Data" or "Electronic Media".

This exclusion does not apply to loss or damage to "Electronic Data" or "Electronic Media" caused by or resulting from the Perils of Fire; Lightning; Explosion; Windstorm or Hail; Smoke; Aircraft or Vehicles; Riot and Civil Commotion; Willful or malicious physical loss or damage by a means other than "Computer Virus"; Leakage from fire extinguishing equipment; Sinkhole collapse; Falling Objects; Weight of snow, ice or sleet; Water Damage; Building glass breakage; Sonic Boom; Flood; Earth Movement or Volcanic Action, if and to the extent such Perils are already covered by this or by any underlying policy.

**MOLD, FUNGI, WET OR DRY ROT, AND BACTERIA EXCLUSION ENDORSEMENT**

1. **EXCLUSIONS:**

   This policy does not cover:

   A. Loss or damage caused directly or indirectly by mold or other fungi, wet or dry rot, or bacteria;

   B. The costs associated with the enforcement of any ordinance or law which requires the Insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to or assess the effects of mold or other fungi, wet or dry rot, or bacteria; or

   C. Any costs, expenses, fines or penalties incurred or sustained by or imposed on the Insured at the order of any government agency, court or other authority arising from any cause whatsoever.

   This mold or other fungi, wet or dry rot, or bacteria exclusion applies whether or not the loss event results in widespread damage or affects a substantial area.

2. **LIMITED COVERAGE FOR MOLD, FUNGI, WET OR DRY ROT AND BACTERIA**

   This policy is extended to cover, subject to a maximum total limit of $10,000 per occurrence, loss or damage directly caused by or resulting from mold or other fungi, wet or dry rot, or bacteria if such mold or other fungi, wet or dry rot, or bacteria is directly caused by or results from one or more of the following causes that occurs during the policy period:

   - Windstorm;
   - Hail;

If this policy includes coverage for flood, earthquake or earth movement it will be considered a covered peril for mold or other fungi, wet or dry rot, or bacteria.

As applied to this limited coverage for loss or damage by mold, fungi, wet or dry rot, and bacteria, "loss or damage" means:

A. Direct physical loss or damages to Covered Property by mold, fungus, wet or dry rot or bacteria, including the cost of removal of the mold, fungus, wet or dry rot or bacteria;

B. The cost to tear out and replace any part of the building or other property as needed to gain access to the mold, fungus, wet or dry rot or bacteria; and

C. The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is reason to believe that mold, fungus, wet or dry rot or bacteria are present.
The maximum total limit provided by this coverage extension is $10,000 per occurrence regardless of the number or type of coverages that may apply, the number of locations to which this coverage extension applies, or regardless of the number or type of mold or other fungi, wet or dry rot, or bacteria that caused the loss or damage. When this agreement and any other insuring agreement or endorsement written by the Company applies to the same mold or other fungi, wet or dry rot, or bacteria loss, $10,000 is the most the Company will pay on a combined total basis for all such loss. This amount is not in addition to the limits of coverage for real or personal property, flood, earthquake or earth movement or time element coverage as specified elsewhere in this policy.

3. DEFINITIONS

A. Mold or other fungi means:

This exclusion replaces any other nuclear detonation, nuclear reaction, nuclear radiation or radioactive contamination exclusions found elsewhere in this Policy.

This endorsement changes the policy. Please read it carefully.

EXCLUSION OF TERRORISM LOSSES OUTSIDE THE UNITED STATES

A. The following exclusion is added:

We will not pay for loss or damage to property outside the fifty (50) states of the United States and the District of Columbia caused directly or indirectly by an "other act of terrorism", including action in hindering or defending against an actual or expected incident of an "other act of terrorism". Nor will we pay for any loss, damage, cost, claim or expense directly or indirectly arising out of or relating to such loss or damage to property. All such loss, damage, cost, claim or expense is excluded regardless of any other cause or event that contributes concurrently or in any other sequence to the loss, damage, cost claim or expense.

B. Severability

In the event any portion of this endorsement is found to be invalid or unenforceable, the remainder will remain in full force and effect.

C. Application of Other Exclusions

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss or damage which would otherwise be excluded under this policy.

D. Conditional Change in Use of Defined Term

When any one or more of the following first occurs, the term "other act of terrorism" in Paragraph A. above shall be deleted in its entirety and replaced by the term "terrorism." But if your policy (meaning the policy period in which this endorsement applies) begins after such date, then the deletion and replacement become applicable on the date your policy begins. The deletion and replacement will remain applicable unless we notify you of a change in response to federal law.

1. The federal Terrorism Risk Insurance Program ("Program"), established by the Terrorism Risk Insurance Act, has terminated with respect to the type of insurance provided under this Policy.

2. A renewal, extension or replacement of the Program has become effective without a requirement to make terrorism coverage available to you and with revisions that:

(a) Increase our statutory percentage deductible under the Program for terrorism losses. (That deductible determines the amount of all certified terrorism losses we must pay in a calendar year, before the federal government shares in subsequent payment of certified terrorism losses.); or
(b) Decrease the federal government's statutory percentage share in potential terrorism losses above such deductible; or
(c) Redefine terrorism or make insurance coverage for terrorism subject to provisions or requirements that differ from those that apply to other types of events or occurrences under this policy.

E. Definitions

"Other act of terrorism" means a violent act or an act that is dangerous to human life, property or infrastructure that is committed by an individual or individuals and that appears to be part of an effort to coerce a civilian population or to influence the policy or affect the conduct of any government by coercion, and the act is not certified as a terrorist act pursuant to the federal Terrorism Risk Insurance Act of 2002 (including any amendments thereto).

   b. Commission or threat of a dangerous act; or
   c. Commission or threat of an act that interferes with or disrupts an electronic, communication, information, or mechanical system; and

A. Cap On Certified Terrorism Losses

"Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in concurrence with the Secretary of State and the Attorney General of the United States, to be an act of terrorism pursuant to the federal Terrorism Risk Insurance Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:

1. The act resulted in insured losses in excess of $5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act; and

2. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the conduct of the United States Government by coercion.

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed $100 billion in a Program Year (January 1 through December 31) and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds $100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

B. Application Of Exclusions

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this Coverage Part or Policy, such as losses excluded by the Nuclear Hazard Exclusion or the War And Military Action Exclusion.

A. Applicability Of The Provisions Of This Endorsement

1. The provisions of this endorsement become applicable commencing on the date when any one or more of the following first occurs. But if your policy (meaning the policy period in which this endorsement applies) begins after such date, then the provisions of this endorsement become applicable on the date your policy begins.

a. The federal Terrorism Risk Insurance Program ("Program"), established by the Terrorism Risk Insurance Act, has terminated with respect to the type of insurance provided under this Coverage Form, Coverage Part or Policy; or
b. A renewal, extension or replacement of the Program has become effective without a requirement to make terrorism coverage available to you and with revisions that:

(1) Increase our statutory percentage deductible under the Program for terrorism losses. (That deductible determines the amount of all certified terrorism losses we must pay in a calendar year, before the federal government shares in subsequent payment of certified terrorism losses); or

(2) Decrease the federal government's statutory percentage share in potential terrorism losses above such deductible; or

(3) Redefine terrorism or make insurance coverage for terrorism subject to provisions or requirements that differ from those that apply to other types of events or occurrences under this policy.

2. If the provisions of this endorsement become applicable, such provisions:

a. Supersede any terrorism endorsement already endorsed to this policy that addresses "certified acts of terrorism" and/or "other acts of terrorism", but only with respect to loss or damage from an incident(s) of terrorism (however defined) that occurs on or after the date when the provisions of this endorsement become applicable; and

b. Remain applicable unless we notify you of changes in these provisions, in response to federal law.

3. If the provisions of this endorsement do NOT become applicable, any terrorism endorsement already endorsed to this policy, that addresses "certified acts of terrorism" and/or "other acts of terrorism", will continue in effect unless we notify you of changes to that endorsement in response to federal law.

B. The following definition is added and applies under this endorsement wherever the term terrorism is enclosed in quotation marks.

"Terrorism" means activities against persons, organizations or property of any nature:

1. That involve the following or preparation for the following:

   a. Use or threat of force or violence; or

   b. Commission or threat of a dangerous act; or

   c. Commission or threat of an act that interferes with or disrupts an electronic, communication, information, or mechanical system; and

2. When one or both of the following applies:

   a. The effect is to intimidate or coerce a government or the civilian population or any segment thereof, or to disrupt any segment of the economy; or

   b. It appears that the intent is to intimidate or coerce a government, or to further political, ideological, religious, social or economic objectives or to express (or express opposition to) a philosophy or ideology.

C. The following exclusion is added:

EXCLUSION OF TERRORISM

We will not pay for loss or damage caused directly or indirectly by "terrorism", including action in hindering or defending against an actual or expected incident of "terrorism". Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss. But this exclusion applies only when one or more of the following are attributed to an incident of "terrorism":

1. The "terrorism" is carried out by means of the dispersal or application of radioactive material, or through the use of a nuclear weapon or device that involves or produces a nuclear reaction, nuclear radiation or radioactive contamination; or

2. Radioactive material is released, and it appears that one purpose of the "terrorism" was to release such material; or

3. The "terrorism" is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or

4. Pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the "terrorism" was to release such materials; or
5. The total of insured damage to all types of property in the United States, its territories and possessions, Puerto Rico and Canada exceeds $25,000,000. In determining whether the $25,000,000 threshold is exceeded, we will include all insured damage sustained by property of all persons and entities affected by the "terrorism" and business interruption losses sustained by owners or occupants of the damaged property. For the purpose of this provision, insured damage means damage that is covered by any insurance plus damage that would be covered by any insurance but for the application of any terrorism exclusions. Multiple incidents of "terrorism" which occur within a 72-hour period and appear to be carried out in concert or to have a related purpose or common leadership will be deemed to be one incident, for the purpose of determining whether the threshold is exceeded.

With respect to this Item C.5., the immediately preceding paragraph describes the threshold used to measure the magnitude of an incident of "terrorism" and the circumstances in which the threshold will apply, for the purpose of determining whether this Exclusion will apply to that incident. When the Exclusion applies to an incident of "terrorism", there is no coverage under this Coverage Form, Coverage Part or Policy.

D. Exception Covering Certain Fire Losses

The following exception to the Exclusion Of Terrorism applies only if indicated and as indicated in the Schedule of this endorsement.

If "terrorism" results in fire, we will pay for the loss or damage caused by that fire, subject to all applicable policy provisions including the Limit of Insurance on the affected property. Such coverage for fire applies only to direct loss or damage by fire to Covered Property. Therefore, for example, the coverage does not apply to insurance provided under Business Income and/or Extra Expense coverage forms or endorsements that apply to those coverage forms, or to the Legal Liability Coverage Form or the Leasehold Interest Coverage Form.

E. Application Of Other Exclusions

1. When the Exclusion Of Terrorism applies in accordance with the terms of C.1. or C.2., such exclusion applies without regard to the Nuclear Hazard Exclusion in this Coverage Form, Coverage Part or Policy.

2. The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss or damage which would otherwise be excluded under this Coverage Form, Coverage Part or Policy, such as losses excluded by the Nuclear Hazard Exclusion or the War And Military Action Exclusion.
IN WITNESS WHEREOF, the Company has caused the facsimile signatures of its President and secretary to be affixed hereto, and has caused this policy to be signed on the Declarations Page by an authorized representative of the Company.
