Re: Important Information about Claims Information Line

Dear THE STATE OF WEST VIRGINIA, INCLUDING ALL OF IT’S DEPARTMENTS AND/OR AGENCIES

Travelers Bond & Specialty Insurance is pleased to announce its 1-800-842-8496 Claims Information Line. This line is designed to provide insureds with an additional resource on how to report claims or those circumstances or events which may become claims.

Policyholders will be able to obtain assistance on the following topics from the Claims Information Line:

- The information that needs to be included with the claim notice
- The address, electronic mail address and/or facsimile number to which the policyholder can send claims related information
- Get questions on the claim process answered

The Declarations Page of your policy sets forth where you should report claims and claims related information. You should also review the policy’s reporting requirements to be aware of how much time you have to report a claim to Travelers. The sooner Travelers is notified, the sooner we can become involved in the process and offer assistance to our policyholder. A delay in reporting may result in all or part of a matter to fall outside of the coverage provided.

The Claims Information Line should streamline the claim reporting process and allow policyholders to ask questions on what information is needed as well as other questions which will assist them in working with Travelers. While the Claims Information Line provides policyholders a valuable resource by answering questions and providing information, the line does not replace the reporting requirements contained in the Policy.

We hope this improvement to customer service is something our policyholders will find helps them understand the claim process and provides them a resource for reporting.
