EXCESS PHYSICAL DAMAGE FORM
(U.S.A. AND CANADA)

1. INSURING CLAUSE:

Subject to the limitations, terms and conditions contained in this Policy or added hereto, the Insurer(s) agree to indemnify the Insured named in The Schedule herein in respect of Direct Physical loss or damage to the property described in Item 5 of The Schedule, while located or contained as described in The Schedule, occurring during the period stated in The Schedule and caused by any of such perils as are set forth in Item 4 of The Schedule and which are also covered by and defined in the Policy(ies) specified in The Schedule and issued by the "Primary Insurer(s)" stated therein.

2. APPLICATION OF UNDERLYING PROVISIONS:

In respect of the perils hereby insured against this Policy is subject to the same warranties, terms and conditions (except as regards the premium, the amount and Limits of Liability other than the deductible or self-insurance provision where applicable, and the renewal agreement, if any, AND EXCEPT AS OTHERWISE PROVIDED HEREIN) as are contained in or as may be added to the Policy(ies) of the Primary Insurer(s) prior to the happening of a loss for which claim is made hereunder and should any alteration be made in the premium for the Policy(ies) of the Primary Insurer(s), then the premium hereon may be adjusted accordingly.

3. LIMIT:

Provided always that liability attaches to the Insurer(s) only after the Primary and Underlying Excess Insurer(s) have paid or have admitted liability for the full amount of their respective liability as set forth in Item 8 and/or 9 of The Schedule and designated "Primary and Underlying Excess Limit(s)" and then the limits of the Insurer(s) Liability shall be those set forth in Item 8 and/or 9 of The Schedule under the designation "Underlying Excess Limit(s)" and the Insurer(s) shall be liable to pay up to the full amount of such "Underlying Excess Limit(s)".

4. MAINTENANCE OF PRIMARY AND UNDERLYING EXCESS POLICY/IES AND LIMITS:

It is a condition precedent to recovery under this Policy that the Policy(ies) and Limit(s) of the Primary and Underlying Excess Insurer(s) set forth in Item 8 and/or 9 of The Schedule be maintained in full force and effect, except for any reduction or exhaustion of any underlying aggregate Limits of Liability contained therein, solely by the amount of loss(es) paid or admitted during the policy term.

There is no recovery under this excess policy as respects those coverages which are sub-limited within the primary and/or underlying excess policy(ies) to amounts less than the amount indicated in item 8 of the Schedule, however, the Insurer(s) to this excess policy recognize that the primary and underlying excess policy limits can be eroded or exhausted, wholly or partially, by application of said sub-limits.

In the event of such reduction of the aggregate Limits of Liability of the Primary and Underlying Excess Insurance's this Policy shall pay excess over the reduced aggregate limit. In the event of exhaustion of aggregate Limits of Liability of the Primary and Underlying Excess Insurance's this Policy, subject to all its provisions, shall continue in force as Primary Insurance in respect to perils covered by this policy for which the aggregate Limit of Liability has been so exhausted and the deductible or self-insured amount applicable to that peril, as set forth in Item 8 of the Schedule, shall apply to this Policy.

5. UNCOLLECTIBILITY OF OTHER INSURANCE:

Notwithstanding any of the terms of this Policy that might be construed otherwise, the insurance provided by this Policy shall always be excess over the maximum monetary limits set forth in Item 8 and/or 9 of The Schedule (reduced only by reduction of any underlying aggregate limits as provided for in Clause 4 herein) regardless of the uncollectibility (in whole or in part) of any underlying insured amounts for any reason, including, but not limited to, the financial impairment or insolvency of an underlying Insurer(s).

The risk of uncollectibility (in whole or in part) of other insurance, whether because of financial impairment or insolvency of an underlying or other insurer(s) or for any other reason, is expressly retained by the Insured and is not in any way or under any circumstances insured or assumed by Insurer(s).

EXCESS PHYSICAL DAMAGE FORM
(U.S.A. AND CANADA)

In the event of the bankruptcy or insolvency, or other financial impairment, of any underlying insurer, this policy shall not be liable for the obligations of the underlying policy. This policy shall apply as if the underlying insurance were valid and collectible. This insurance shall not replace the underlying insurance.

6. DEFINITIONS:

(a) Loss: The word "loss" shall mean each and every covered loss or series of covered losses arising out of one occurrence.

(b) Ultimate Net Loss: The words "Ultimate Net Loss" shall mean the covered loss sustained by the Insured as a result of each and every loss or series of covered losses arising out of one occurrence limited by

(i) any sub-limits contained within this Policy or the Policy(ies) of the Primary and/or Underlying Excess Insurer(s), and

(ii) making deductions for all salvages, recoveries and other insurance's (other than recoveries under the Policy(ies) of the Primary and Underlying Excess Insurer(s)).

(c) Policy Term: The words "policy term" shall be understood to mean the period of Item 3 of The Schedule.

7. APPLICATION OF RECOVERIES:

All salvages, recoveries or payments recovered or received subsequent to a loss settlement under this Policy shall be applied as if recovered or received prior to such settlement and all necessary adjustments shall then be made between the Insured and the Insurer(s), provided always that nothing in this Policy shall be construed to mean that losses under this Policy are not recoverable until the Insured's ultimate net loss has been finally ascertained.

8. CANCELLATION:

This insurance may be cancelled by the Insured at any time by written notice or by surrender of this Policy. This insurance may also be cancelled by or on behalf of the Insurer(s) by delivering to the Insured or by mailing to the Insured, by registered, certified or other first class mail, at the Insured's address as shown in this insurance written notice stating when, not less than ninety (90) days thereafter, the cancellation shall be effective. The mailing of such notice as aforesaid shall be sufficient proof of notice and this insurance shall terminate at the date and hour specified in such notice.

If this insurance shall be cancelled by the Insured, the Insurer(s) shall retain the customary short rate proportion of the premium hereon, except that if this insurance is on an adjustable basis, the Insurer(s) shall receive the earned premium hereon, or the customary short rate proportion of any minimum premium stipulated herein, whichever is the greater.

If this insurance shall be cancelled by or on behalf of the Insurer(s), the Insurer(s) shall retain the pro rata proportion of the premium hereon, except that if this insurance is on an adjustable basis the Insurer(s) shall receive the earned premium hereon, or the pro rata proportion or any minimum premium stipulated herein, whichever is the greater.

Payment or tender of unearned premium by the Insurer(s) shall not be a condition precedent to the effectiveness of cancellation but such payment shall be made as soon as practicable.

If the period of limitation relating to the giving of notice is prohibited or made void by any law controlling the construction thereof, such period shall be deemed to be amended so as to be equal to the minimum period of limitation permitted by such law.

Notwithstanding anything contained in Item 8 CANCELLATION of the wording to the contrary, in the event of nonpayment of the Premium stated in the Schedule, Insurer(s) may cancel this Insurance with written notice to the Insured stating when, not less than ten (10) days thereafter, the cancellation shall be effective.

EXCESS PHYSICAL DAMAGE FORM
(U.S.A. AND CANADA)

9. NOTIFICATION OF CLAIMS:

The Insured upon knowledge of any occurrence likely to give rise to a claim hereunder shall give immediate written advice thereof to the person(s) or firm named for the purpose in Item 10 of The Schedule.

10. PRIORITY OF PAYMENT:

Notwithstanding anything contained herein to the contrary it is hereby agreed that in the event of a claim hereunder which involves more than one interest and/or coverage and/or peril, it shall be at the sole option of the Insured to apportion recovery under this policy when submitting final proof of loss, subject to the overall amount of claim not exceeding the overall limit of liability contained herein for any one loss.

For the purpose of attachment of coverage for excess layers, it is further agreed that loss involving any interest and/or peril covered in primary or underlying excess layers, but excluded in higher excess layers, shall be recognized by such excess layers as eroding or exhausting the occurrence limits of the primary and/or underlying excess layer(s). Nothing herein, however, shall be deemed to extend coverage in such layers(s) to include loss from the specifically excluded peril in the excess layer(s) itself.

11. OCCURRENCE LIMIT OF LIABILITY:

The Limit of Liability or Amount of Insurance shown on the face of this policy, or endorsed onto this policy, is the total of the Insurer(s) liability applicable to each occurrence, as hereafter defined. Notwithstanding any other terms and conditions of this policy to the contrary, in no event shall the liability of the Insurer(s) exceed this limit or amount irrespective of the number of locations involved.

The term "occurrence" shall mean any one loss, disaster, casualty or series of losses, disasters, or casualties, arising out of one event. When the term applies to loss or series of losses from the perils of tornado, cyclone, hurricane, windstorm, hail, flood, earthquake, volcanic eruption, riot, riot attending a strike, civil commotion, and vandalism and malicious mischief, one event shall be considered to be all losses arising during a continuous period of 72 hours. When filing proof of loss, the Insured may elect the moment at which the 72 hour period shall be deemed to have commenced, which shall not be earlier than the first loss to any covered property occurs.

The premium for this policy is based upon the Statement of Values on file with the Insurer(s), or attached to this policy. In the event of loss hereunder, liability of the Insurer(s), subject to terms of paragraph one (1) above, shall be limited to the least of the following:

- a. The actual adjusted amount of loss, less applicable deductible(s).
- b. 100% of the individually stated value for each scheduled item of property involved, as shown on the latest statement of Values on file with Insurer(s), less applicable deductible(s).
- c. The Limit of Liability or Amount of Insurance shown on the face of this policy or endorsed onto this policy.

12. PERMISSION FOR EXCESS INSURANCE

Permission is hereby granted to purchase insurance in excess of the amount [Limit of Liability] stated in this policy. Such excess insurance shall not be considered other insurance for the purposes of the "Other Insurance" clause.

CANCELLATION OR EXPIRATION OF A PRIMARY POLICY

This endorsement modifies insurance provided under the following:

ALL COVERAGE PARTS

It is agreed that in the event that the primary policy is canceled or expires during the term of this policy, this policy shall respond in the same manner as if the primary policy were not canceled or expired.

This Endorsement Changes The Policy. Please Read It Carefully.

APPRAISAL CLAUSE AMENDMENT

This endorsement modifies insurance provided under the following:

ALL COVERAGE PARTS

This endorsement replaces any and all other provisions regarding appraisal.

If we and you disagree on the value of the property or the amount of loss, either party may request, in writing, an appraisal of the value of the property and/or the amount of loss. An appraisal may then take place only if the other party agrees in writing to participate in the appraisal process pursuant to terms of a written agreement between the parties. At a minimum, the written agreement between the parties will specify a protocol for the selection of a disinterested, competent, and impartial appraiser (who does not have a financial interest in the claim and/or appraisal award, including a contingent interest in the outcome of the claim or appraisal award), the inspection of the property by the appraisers, the selection of an umpire, communications between and among the appraisers and umpire, specific itemization of each item in dispute, and an award form. If the parties cannot agree on a written agreement specifying the protocol, an appraisal will not take place.

If appraisal moves forward, the two appraisers will select an umpire, who is disinterested, competent, and impartial. If the two appraisers cannot agree to an umpire within 15 days of either appraiser proposing one or more umpires, the two appraisers may jointly request that the selection of a competent and impartial umpire be made by a judge of a court in the county of the loss or damage. If either party to the appraisal, without notice to the other party, asks a judge to select an umpire, any such umpire selection shall be invalidated and the selection of a new umpire shall be required. If the appraisers do not agree to jointly request the appointment of an umpire, either the insurer or insured can unilaterally end the appraisal with written notice to the other. The appraisers will state separately the value of the property and amount of loss. Specific itemization of each item and amount in dispute is required, including, but not limited to, building-by-building, floor-by-floor, unit-by-unit, and area-by-area allocation. If the appraisers fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding.

Each party will:

- a. pay its chosen appraiser; and
- b. bear the other expenses of the appraisal and the umpire's fee equally.

In connection with the appraisal proceeding, neither the appraisers nor the umpire shall have authority to decide questions of law. Neither the appraisers nor the umpire shall attempt to resolve any issue of insurance coverage, policy exclusions, compliance with the policy terms and conditions, or any issues concerning the Limits of Insurance available under the Policy.

At any time after the request for appraisal, we will retain our right to demand compliance with all applicable Duties in the Event of Loss as described in this Policy. We may require completion of any of the Duties in the Event of Loss, or any other policy condition, prior to continuance of the appraisal proceeding.

If there is an appraisal, we will still retain our right to deny the claim.

Where applicable, the parties agree that during the pendency of an appraisal all required responses and cures to any Civil Remedy Notices are extended until 30 days after the appraisal is concluded.

By voluntarily agreeing to the appraisal process, both parties acknowledge that there are irreconcilable differences that exist regarding the value of the property and/or the amount of loss. Since appraisal is voluntary, you are not required to submit to, or participate in, any appraisal of the loss as a precondition to action against us.

This Endorsement Changes The Policy. Please Read It Carefully.

LOSS REPORTING CONDITIONS

This endorsement modifies insurance provided under the following:

ALL COVERAGE PARTS

- A.** With respect to loss or damage caused by or resulting from windstorm or hail, if a covered cause of loss, the following is added to the **Duties in the Event of Loss or Damage** Loss Condition:

In addition to your obligation to provide us with prompt notice of loss or damage, with respect to any claim wherein notice of the claim is reported to us more than one year after the date of loss or damage, this policy shall not provide coverage for such claims.

- B.** With respect to loss or damage caused by or resulting from any covered cause of loss other than windstorm or hail, the following is added to the **Duties in the Event of Loss or Damage** Loss Condition:

In addition to your obligation to provide us with prompt notice of loss or damage, with respect to any claim wherein notice of the claim is reported to us more than two years after the date of loss or damage, this policy shall not provide coverage for such claims.

This Endorsement Changes The Policy. Please Read It Carefully.

EXCLUSION AND LIMITED ADDITIONAL COVERAGE FOR FUNGUS

This endorsement modifies insurance provided under the following:

ALL COVERAGE PARTS

A. The following Exclusion is added:

EXCLUSION – "Fungus", Wet Rot, Dry Rot And Bacteria

We will not pay for loss or damage caused directly or indirectly by the presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss. But if "fungus", wet or dry rot or bacteria results in a "specified covered cause of loss", we will pay for the loss or damage caused by that "specified covered cause of loss".

This exclusion does not apply:

1. When "fungus", wet or dry rot or bacteria results from fire or lightning; or
2. To the extent that coverage is provided in the Additional Coverage - Limited Coverage For "Fungus", Wet Rot, Dry Rot And Bacteria with respect to loss or damage by a cause of loss other than fire or lightning.

B. The following Additional Coverage is added:

ADDITIONAL COVERAGE - Limited Coverage For "Fungus", Wet Rot, Dry Rot And Bacteria

1. This limited coverage applies only when the "fungus", wet or dry rot or bacteria is the result of one or more of the following causes that occurs during the policy period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence, and only if any loss resulting from the following is reported to us within 60 days of the occurrence.
 - a. A "specified covered cause of loss" other than fire or lightning; or
 - b. Flood, if the Flood Coverage Endorsement applies to the affected premises.
2. Under conditions described in item **B.1.** above, we will pay for loss or damage by "fungus", wet or dry rot or bacteria. As used in this Limited Coverage, the term loss or damage means:
 - a. Direct physical loss or damage to Covered Property caused by "fungus", wet or dry rot or bacteria, including the cost of removal of the "fungus", wet or dry rot or bacteria;
 - b. The cost to tear out and replace any part of the building or other property as needed to gain access to the "fungus", wet or dry rot or bacteria; and
 - c. The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that "fungus", wet or dry rot or bacteria are present.
3. The coverage provided under this Limited Coverage is limited to \$15,000. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all occurrences which take place in a 12-month period (starting with the beginning of the present annual policy period). With respect to a particular occurrence of loss which results in "fungus", wet or dry rot or bacteria, we will not pay more than a total of \$15,000 even if the "fungus", wet or dry rot or bacteria continues to be present or active, or recurs, in a later policy period.
4. The coverage provided under this Limited Coverage does not increase the applicable Limit of Insurance on any Covered Property. If a particular occurrence results in loss or damage by "fungus", wet or dry rot or bacteria, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limit of Insurance on the affected Covered Property.

Policy No.: NHD944868

Effective: 7/1/2024

If there is covered loss or damage to Covered Property, not caused by "fungus", wet or dry rot or bacteria, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that "fungus", wet or dry rot or bacteria causes an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited Coverage.

C. The following Definition is added:

1. "Fungus" means any type or form of fungus, including mold or mildew, and any mycotoxins, spores, scents or by-products produced or released by fungi.
2. "Specified covered cause of loss" means the following: Fire; lightning; explosion; windstorm or hail; smoke; aircraft or vehicles; riot or civil commotion; vandalism; leakage from fire extinguishing equipment; sinkhole collapse; volcanic action; falling objects; weight of snow, ice or sleet; water damage.

EXCLUSION OF TERRORISM (EXCEPTION COVERING CERTAIN FIRE LOSSES)

This endorsement modifies insurance provided under the following:

ALL COVERAGE PARTS

A. Definitions

1. "Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act, to be an act of terrorism pursuant to such Act. The criteria contained in that Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:
 - a. The act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act; and
 - b. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.
2. "Other act of terrorism" means any activity against persons, organizations or property of any nature:
 - a. That involves the following or preparation for the following:
 - (1) Use or threat of force or violence; or
 - (2) Commission or threat of a dangerous act; or
 - (3) Commission or threat of an act that interferes with or disrupts an electronic, communication, information, or mechanical system; and
 - b. When one or both of the following applies:
 - (1) The effect is to intimidate or coerce a government or the civilian population or any segment thereof, or to disrupt any segment of the economy; or
 - (2) It appears that the intent is to intimidate or coerce a government, or to further political, ideological, religious, social or economic objectives or to express (or express opposition to) a philosophy or ideology; and
 - c. When the act is not certified as a terrorist act pursuant to the federal Terrorism Risk Insurance Act.

B. Exclusion of Certified Acts of Terrorism and the following Other Acts of Terrorism

We will not pay for loss or damage caused directly or indirectly by a "certified act of terrorism" or an "other act of terrorism":

1. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.
2. With respect to an "other act of terrorism", this exclusion applies only when one or more of the following are attributed to such act:
 - a. The act involves the use, release or escape of nuclear materials, or that directly or indirectly results in nuclear reaction or radiation or radioactive contamination;
 - b. The act is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials;
 - c. The act involves the release of pathogenic or poisonous biological or chemical materials, and it appears that one purpose of the terrorism was to release such materials; or

-
- d. The total of insured damage to all types of property in the United States, its territories and possessions, Puerto Rico, and Canada exceeds \$25,000,000. In determining whether the \$25,000,000 threshold is exceeded, we will include all insured damage sustained by property of all persons and entities affected by the “other act of terrorism” and business interruption losses sustained by owners or occupants of the damaged property. For the purpose of this provision, insured damage means damage that is covered by any insurance plus damage that would be covered by any insurance but for the application of any terrorism exclusions. Multiple incidents of an “other act of terrorism” which occur within a 72-hour period and appear to be carried out in concert or to have a related purpose or common leadership will be deemed to be one incident, for the purpose of determining whether the threshold is exceeded.

With respect to this Item **B.2.d.**, the immediately preceding paragraph describes the threshold used to measure the magnitude of an “other act of terrorism” and the circumstances in which the threshold will apply, for the purpose of determining whether this exclusion will apply to that incident. When the exclusion applies to an “other act of terrorism”, there is no coverage under this Coverage Part or Policy.

C. Exception Covering Certain Fire Losses

If a “certified act of terrorism” or an “other act of terrorism” results in Fire, we will pay for the loss or damage caused by that Fire, subject to all applicable policy provisions including the Limit of Insurance on the affected property. Such coverage for Fire applies only to direct loss or damage by Fire to Covered Property. Therefore, for example, the coverage does not apply to insurance provided under Business Income and/or Extra Expense Coverage Forms or endorsements that apply to those coverage forms, or to the Legal Liability Coverage Form or the Leasehold Interest Coverage Form.

With respect to Fire resulting from any one or more “certified acts of terrorism” under the federal Terrorism Risk Insurance Act, we will not pay any amounts for which we are not responsible under the terms of that Act (including subsequent action of Congress pursuant to the Act) due to the application of any clause which results in a cap on our liability for payments for terrorism losses.

D. Application Of Other Exclusions

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this Coverage Part or Policy, such as, but not limited to, losses excluded by any Nuclear Hazard or War And Military Action Exclusions.
